## TELEPHONE MEN OBJECT TO TAX

H. C. TODD BACK LAST NIGHT FROM MEETING

### MEAN INCREASED RATES

Resolutions to be Submitted to the Board of Equalization of the State

According to H. C. Todd, manager of the Hanamo Telephone Company, who returned last night from the board meeting of the Missouri Telephone Association, held at Jefferson City, a serious objection was raised at the meeting to recommendation of the board of equalization that would increase the valuation of the telephone properties of the state by 12 million dollars. It was held at the meeting that the increase in the valuation would mean an increase in taxes that must be collected by additional rate charges and that the public would have it to bear. Accordingly the following resolutions were drawn up regarding the matter:

Whereas, the State Tax Commission in its recommendation to the Board of Equalization has raised the public utility valuation in the State twenty two million dollars, net, and has loaded twelve million dollars of this increase onto the telephone industry, which industry only represents about seven percent of the total public utility property valuation in the State, and

Whereas, the net result of this raise amounts to an increase in valuation of one hundred sixty percent in the last two years on the telephone property, and,

Whereas, this unfair and discriminatory raise in taxable values will amount to practical confiscation of most telephone properties, and will have to be immediately reflected in increased rates which the people must pay, and

Whereas, all the operating revenues of the telephone companies are obtained wholly from the rates charged the public for service, which rates are fixed by the Public Service Commission and are determined largely by the cost of operation, of which taxes is one of the major charges. The present telephone rates of all companies are based on taxes paid in 1920, or in previous years. Any increase in expenses from taxes must be secured from increases in rates charged the public, and

Whereas, the companies and the public are now carrying an excessive burden of taxes which should not further be increased, and

Whereas, the assessed value of the telephone properties, as a whole, in the State have already been increased over one hundred percent in the last few years, with but little increase in property, therefore,

Be it resolved, by the representatives of the telephone companies of the State of Missouri, assembled in Jefferson City, this 11th day of September, 1922, that the Officers of the Association be, and are hereby instructed to appear before the State Board of Equalization and present our objections to the valuation found by the Tax Commission for the purposes of this year's assessment, and,

Be it further resolved, that the Honorable Board of Equalization be requested to carefully review the recommendations of the State Tax Commission and equalize the telephone valuations over last year (as properties were then placed on a full valuation basis) except for extensions and additions to property as actually made and reported by the various companies. The tax burden already carried by the telephone companies is now excessive, and as there has been a general increase in the tax rate, it will further increase this tax burden and through them the tax burden on the people.

Be it further resolved that a copy of this resolution be transmitted to the Secretary of the State Board of Equalization.

Mr. Todd says that it is probable that the state convention of the telephone association will be held in Jefferson City November 15 to 17, although this date has not been definitely set.

Miss Libbie Marie Dalrymple of Pickering was a week-end guest at the home of Misses Edith and Erma Partridge in Bedison.

Mr. and Mrs. Knox Alexander of Burlington Junction visited in Maryville yesterday.

## COUNTY SUPERINTENDENT BEGINS HIS ROUND OF SCHOOLS

Somerville Visited Three Yesterday and Is to be at That Many Others Today

Leslie G. Somerville, county superintendent of schools has started his round of visiting all of the schools over which he is superintendent. This week he is making the northeast corner of the county. He visits three schools today and discusses the problems of the school with the teacher. Yesterday he visite dthe Risser, Foster and Maple Grove schools and today he is attending the sessions of the Luteston, Lone Star and Mt. Vernon schools.

Mr. Somerville expects that it will take him some time to pay a visit to every school in the county but he is going to do so.

## DEMOLAYS PLAN TO HAVE A CLUB

COMMITTEE IS ALMOST CERTAIN OF IT NOW

### O'BANION PATROL CAPT.

Organization Will be Kept Going Through the Winter—May Go to Hopkins Soon

Plans are under way for a DeMolay club in Maryville. The local chapter of the order has increased in membership more than 100 per cent since its foundation and there has been the need of a club for some time.

A committee composed of Simeon Wright, Howard Van Wormer, Gordon Roach, Wilson McMurry and William Mapel has been working on plans for the club for some time and now it is almost a certainty that there will be one.

This club will be open to De Molays and Masons only. To belong to the club a person must be a member in good standing.

The committee has an option on a suite of rooms for the club and when fifty De Molays or Masons have signified their intention of joining the club rooms will be either rented or leased.

M. A .Peery, chairman of the advisory council of the local De Molays, is assisting and advising with the committee in the formation of the club and he is confident that the plan will go through successfully.

At a meeting of the De Molay patrol last night every member of the patrol was asked to join the club.

The club rooms will be fitted in a cosy, homelike manner and all that is possible will be done to make the club a home for the boys and a place to spend their leisure hours.

Harold O'Banion was elected captain of the De Molay drill patrol at a meeting held last night at the K. P. Hall for the purpose of reorganizing the patrol for the coming year. Marion Gile was elected lieutenant.

It is planned to keep the patrol going through the winter months and to improve the drill with the purpose of competing in the competitive drill at the Annual State Conclave which is to be held in Springfield next summer.

The patrol will also be increased from twenty-four to thirty-two men.

It is possible that the patrol will go to Hopkins in the near future to drill at the Masonic picnic.

## CURL AND HANNA TO CONFERENCE AT BRAYMER

Are to Leave Tomorrow to Attend Annual Methodist Episcopal Assembly

Dr. O. L. Curl, pastor of the First Methodist Church of Maryville, will leave tomorrow for Braymer, where he will attend the Missouri Conference of the Methodist Episcopal church. O. C. Hanna will also go from the local church. He is being sent as a delegate to represent the committee on a new pastor.

Other pastors from churches in this county are Arthur S. Olsen of Skidmore, W. C. Francisco of Graham, F. C. Edwards of Burlington Junction, E. R. Ingram of Clearmont, E. C. Wright of Hopkins, W. F. Wiley of Parnell. The Maryville circuit and the Pickering circuit are without pastors. It is thought that they will be supplied with pastors at the conference.

Bishop Adna W. Leonard of San Francisco will preside at the conference.

## IGOE CHOSEN TO HEAD COMMITTEE

ST. LOUIS MAN ELECTED ON THE FOURTH BALLOT.

### REED MAKES ADDRESS

Spoke of the Failures of the National and State Administrations—Fisher for Secretary.

Excelsior Springs, Mo., Sept. 13.—William L. Igoe of St. Louis was elected chairman of the Democratic state comittee at 9 o'clock last night, after a deadlock between the Reed and anti-Reed forces all day long.

Igoe is the original choice of the Reed forces and his election is an unadulterated Reed victory. The vote was 18 to 14.

W. R. Painter of Carrollton, a former lieutenant governor, was the defeated candidate. He was made the anti-Reed candidate after it was seen that it was hopeless to continue the fight for George F. Newberger of Joplin, who had been the anti-Reed candidate during the deadlock.

Just before the night session was convened, it appeared that Joseph B. Shannon of Kansas City might be put up as an anti-Reed candidate, thereby laying the foundation for a political coup, as the Reed forces could scarcely have afforded to antagonize Shannon by rolling him.

Shannon refused to allow his name to go before the committee, however, declaring that he did not want the chairmanship and anyhow would not lend himself to a scheme to embarass the senatorial candidate.

There was an element of concession from the Reed forces when it came to the election of a secretary and a treasurer.

Thomas H. Fisher of Marshall was made secretary. He has been one of the leaders of the anti-Reed faction.

Mr. Newberger, the discarded chairmanship candidate, was made treasurer. He was a Long man from the start.

**Jost Sounds the Keynote.**

An earnest plea to rural Democrats supporters of Breckinridge Long in the senatorial primary, to lay aside personal grievances and work for the election of Senator Reed, marked the keynote speech of Henry L. Jost, Kansas City, temporary chairman of the Democratic platform convention.

Jost devoted much of his speech to an attempt to convince the rural Democrats that the city politicians are not the wicked lot pictured by The Kansas City Star and newspapers in St. Louis.

"An insidious propaganda has been going on for fifteen years to line up the country against the cities," Jost continued, commenting on the absence of real Democratic newspapers in the state.

"The papers in St. Louis and The Star, covering the west part of the state, have been preaching, teaching and pounding into your ears about rotten city politics so that some of you country people believe men in the cities are corrupt. The fine spirit of the cities have elected your Democratic tickets each time. I want to get it out of your heads that city Democrats are dishonest."

Before touching on suggested planks for the party platform, Jost extolled Woodrow Wilson, bring an ovation from large sections of the spectators and the women present.

Reference to Reed as "the old lion of Democracy with all his faults" brought cheers from the Reed enthusiasts. Jost's praise of Reed followed an appeal to Long Democrats not to bolt their senatorial nominee in November.

"The Long crowd is indispensable to Reed," Jost said, "and the Reed crowd indispensable to the Long crowd. Are you going to put the biggest asset of the party in the waste basket now?

"If the ticket is beaten this fall, I want you people out in the state to know it will be your fault, not ours. In Jackson County we will give at least 25,000 for the ticket."

Jost said that only the Republicans would be pleased if there was discord in Democratic convention. He spoke of the demoralizing effect on Democrats in other states.

In his effort to placate the anti-Reed Democrats, Jost had little time to attack the Harding and Hyde administrations. Neither Republican was mentioned by name. The speak-

## DISARMAMENT APPROVED TODAY BY COMMISSION

Is Decided That Washington Plan of Limitation be Extended—At Meeting Next Year

Geneva, Sept. 13—General disarmament was approved by the League of Nations disarmament commission today. The commission adopted the plan of Lord Robert Cecil of England that the Washington conference program of naval limitation be extended and the limitation of armaments be considered at the same time. The commission suggested that the program be ratified by the various nations represented in the League before the next League meeting next year.

## COLLEGE FOOTBALL SCHEDULE READY

EIGHT SCHOOLS ARE ON THE LIST.

### TWO FEATURE GAMES

Twenty-Seven Men Were Out for Practice Yesterday Afternoon—Limbering and Passing.

**The Schedule.**

September 28, Springfield State Teachers College at Springfield.

October 6, Kirksville State Teachers College at Kirksville.

October 13, Peru State Teachers College, Peru, Nebr., at Maryville.

October 20, Central Wesleyan College at Maryville.

October 27, Missouri Wesleyan College, the game to be played in St. Joseph.

November 3, Still Osteopaths, Des Moines at Des Moines.

November 11, Warrensburg State Teachers College at Maryville.

November 17, Tarkio College at Maryville.

Coach Eugene A. Maynor of the State Teachers College announced his football schedule for the season today. There are eight games and he said that it was probable that one more would be arranged for to take place November 24, but that it could not be announced at this time. No announcement was made regarding a Turkey Day game. Four of the games are to be played in Maryville. The season will open September 28, with the game at Springfield.

One of the big features of the season will be the Armistice Day game, November 11, when Warrensburg comes here and another will be the game with Tarkio.

Twenty-seven men were out for football at the State Teachers College yesterday afternoon. Of this number fifteen were out for line positions and twelve were out for the backfield and for the ends.

The practice was spent in limbering up and passing, charging and kicking. The line men were in one group and the backfield men in another. While the line men were doing one thing, the backs and ends were doing something else. One of the things that the coach had his men doing was to play a continuous game of leap frog up and down the field.

He also had the backs an dends running out under some passes. At first the passes were short but soon he had the candidates for the team streaking out under some long heaves. Several men showed up exceedingly well in this. Egley especially seemed to have a knack for snagging the oval and he handled it well after he caught it. "Hickory" Leech and Beck were also pulling down some neat ones. Short of stature, Leech jumped after some and kept right on going.

There will likely be anywhere from forty to fifty men out for the squad before the week is over.

**TODAY'S BASEBALL SCORES.**

(By Radio Supply Co.)

National League.

St. Louis 13, Philadelphia 4, first game; St. Louis 6, Philadelphia 1, end of 8th, second game.

Chicago 3, New York 8, end 8th.

Cincinnati 2, Brooklyn 3.

Pittsburgh 8, Boston 1, first game; Pittsburgh 4, Boston 1, second game.

American League.

Boston 0, St. Louis 0, end 2nd.

New York 3, Chicago 7, first game; New York 2, Chicago 1, end of 2nd, second game.

Philadelphia 2, Detroit 6, end of 7th.

Washington 3, Cleveland 0, end 7th.

## REASSEMBLING DAY AT BELL RESIDENCE

20TH CENTURY CLUB HOLDS OPENING MEETING.

### REPORT BY MRS. LEESON

Recommends Placing Prisoners Under State Control and Establishment of Kindergartens.

One of the most delightful re-assembling days of the Twentieth Century Club occurred yesterday at the home of Mrs. Charles T. Bell. The weather being ideal, and the beautiful and spacious lawn so perfect, the committee in charge held the meeting out of doors. Upon arriving the members were greeted by the hostess, Mrs. Bell, the president, Mrs. D. R. Baker; first vice-president, Mrs. C. F. Remus, and second vice-president, Mrs. Charles Stilwell. The punch bowl, surrounded by purple and white asters, was presided over by Mrs. Harry Todd, Mrs. D. J. Thomas, Mrs. J. C. Allender and Mrs. Ed Curfman. The year books were placed on a table centered with a bowl of purple and white asters and distributed by Mrs. H. Wilfred White, secretary of the club, and Mrs. Ed G. Orear, chairman of the year book committee. After the club was called to order, Mrs. D. R. Baker, the president, in a very gracious manner, greeted the members and gave a short talk on the work of the year.

"For years Women's Clubs have played a big and important part in the life of the community. That they are bound to play an increasingly large part in the life of the nation is evident. The great advantage of such a convention (as the Chautauqua biennial) is that it visualizes the Federation idea; it proves to women themselves that the Federation of Women's Clubs is a power that must be reckoned with in the solution of every great national problem."

For diversion the entertainment committee, Mrs. C. C. Hellmers, Mrs. S. P. Allison, Mrs. H. R. Juvenal and Mrs. J. R. Lowry, prepared a clever stunt by cutting out of magazines various pictures of advertisements. These pictures were pinned on trees, bushes, etc. and slips of paper and pencils given each one present and they were told to guess. Among these were Beechnut, Sun Maid raisins, Woodbury's soap, Lux, Freezone, Mina Taylor, Jello, etc. twenty pictures in all. Three prizes were awarded, each a crystal basket tied with tulle and filled with garden flowers. Miss Marguerite Cummins won first, Mrs. Sam Bithos, second, and Mrs. J. C. Brunner, third.

The refreshment committee, Mrs. C. F. Remus, Mrs. Arthur Brewer, Mrs. W. C. Pierce and Mrs. R. E. Snodgrass, served lavender and white brick ice cream and cake. Seventy members were present and this auspicious beginning argues well for the coming club year. Mrs. C. C. Leeson made a most interesting and comprehensive talk on the meeting of the General Federation of Clubs held at Chautauqua, N. Y., in June.

The Biennial Convention of the General Federation of Women's Clubs was held at Chautauqua, N. Y., June 20th to 30th. The keynote of the convention was "Woman as a working power in upbuilding American Citizenship through better motion pictures, more and better American music, better education, better legislation, more publicity, devotion to the fine arts, and the promotion of peace through international relations."

The first two days of the convention were given entirely to committee meetings. The most of the time there were three sessions going on at once. Three exhibits were loaned by the government, one on Indian industries, on on Art, and one on Home Demonstration.

Among the important speakers on the program were Congressman Burton of the Committee on Foreign Relations in the House of Representatives whose subject was "The Growing Importance of International Relations," Dr. L. S. Rowe, Director General of the Pan-American Union spoke on "Pan-American Relations," Count Ilya Tolstoy, son of Tolstoy, the great Russian writer, who is now living in the United States and whose subject was "The Truth about Russia," Dr. Prosser whose subject was "Closing the Floodgates of Immigration,' Judge Wade of the Federal Court, who discussed the present industrial crisis

## CHRISTIAN CHURCH TO HAVE PICNIC AT PARK SUNDAY

Three Women's Classes Lost to Men in the Contest That Closed Recently.

A contest carried on at the First Christian Church of Maryville between three women's classes and the men's class has closed with a victory for the men. The women were the challengers and agreed to give the men a picnic if they lost. Accordingly a picnic dinner will be served to the men by the women at the Tourists' Park Sunday. The wives and children are invited, so the picnic will include about the entire membership of the church.

If the weather is not such that it will be pleasant to hold the picnic in the park, it will be held in the church parlors.

## CALF CLUB SHOW ST. JOSEPH OCT. 3

TO BE JUDGED IN MARYVILLE SEPTEMBER 30.

### SOW AND LITTER CLUB

Is Suggested That the Date of the Sale be Set for Friday, October 13.

Final arrangements have been made for the Boys and Girls Baby Beef Club to ship the calves to the District Show in St. Joseph, Tuesday, October 3. The members of the club are expected to bring their calves to Maryville on Friday, September 29. The calves will remain in Maryville until Saturday, when they will be shipped to St. Joseph. Arrangements have been made to quarter the calves in the Gray pavilion feed yard Friday night.

Saturday morning, September 30, the calves will be judged in Maryville for the purpose of awarding the local premiums.

The stock yards company has arranged to pay the expenses of the five best calves from Maryville to St. Joseph. At the District Show the calves will be in stalls and over each animal there will be a card bearing the name of the boy or girl feeding the calf, the county from which it came, the weight of the calf at the beginning of the feeding time, the weight at the close of the feeding period, the total gain, the daily gain, the cost of 100 pounds gain and the rations fed.

If a full carload of calves is shipped from Maryville the cost will be prorated and the stock yards company will bear its share.

Wednesday, September 4, the day after the show, there will be a sale.

R. A. Kinnaird, county farm agent, has sent out letters to all of the members of the Boys 'and Girls' Sow and Litter Club relative to the Pig Club show and sale. Friday, October 13 is the date suggested in the letters for the event.

In the letter it is suggested that if any member of the club has not done so he should have his animals vaccinated with the double treatment and also have the sows recorded.

The name and registered number of the sows should be reported at once in order that the sale catalog can be printed.

This year premiums will not be offered on boars nor will there be any boars in the sale. In the show premiums will be offered on gilts and barrows, but the sale will be only for the gilts that the members desire to sell.

It is planned for the sale to occupy but one afternoon, but if the number of gilts to be sold is too large the sale will have to be extended to two days.

## E. MONT REILY DENOUNCED BY PORTO RICAN JUSTICE

Attacks Governor for Dismissing Attorney—Renewed Pressure Expected.

Washington, Sept. 13. — The Chief Justice of the Porto Rican Supreme Court scathingly denounced E. Mont Reily of Kansas City, governor of Porto Rico, for dismissing the attorney who acted in grand jury action which returned the presentment against the governor, alleging improper conduct in office. The renewed pressure is expected today to play a part in any decision affecting the future status of Reily.

License to marry has been issued in St. Joseph to Miss Deva Goodwin of Ravenwood and John G. Bandel of St. Joseph.

## MANY ROADS SIGN PEACE AGREEMENTS

OFFICIAL REPORT SAYS BETWEEN 65 AND 75

### CHICAGO FIGHT DRAGS ON

Four Strikers Arrested at Wilmington, Del., Charged With Dynamiting Bridge

Washington, Sept. 13—Between Sixty-five and seventy-five railroads signed separate agreements at Chicago to end the shopmen's strike, according to an official report this afternoon to Secretary of Labor Davis from representatives attending the peace conferences there.

Chicago, Sept. 13—Efforts to stop the deluge of affidavits introduced by the government in the hearing to make permanent the drastic injunction against the striking railroad workers failed in the court today. As a result the government's side of the case will not be completed until Friday or Saturday.

Wilmington, Del., Sept. 13—Four striking Pennsylvania railroad shopmen were arrested today charged with dynamiting a bridge at this city August 17 just before a passenger and express train were due to cross it. According to detectives the men confessed.

## COST ALMOST $1 A MINUTE TO KEEP POOL HALL OPEN

Dale Costello Was Fined $10 and Cost In Police Court This Morning

It cost Dale Castello almost a dollar a minute to keep the pool hall, which he and Art Garten run on the north side of the square open after 10 o'clock last night. It is the law that the pool halls shall close at 10 o'clock on all evenings of the week with the exception of Saturday evening, when they are allowed to remain open until 11 o'clock. Last night at about 10:20 o'clock Ed Wallace found the pool hall still open, se he arrested Castello. Castello was fined $10 and cost in the police court this morning by Mayor Fred P. Robinson. The cost fine totaled $15.65. The fine was paid.

## TO SHOW FILMS AT BURR OAK CHURCH AND AT HOPKINS

Date Set for Rockford School September 15 Changed to September 26.

Two more dates for the showing of "Agriculture in Nodaway County" have been listed at the office of the Chamber of Commerce since the list was published yesterday. They are Burr Oak church, west of Skidmore, September 28, and the Hopkins horse show, September 29. Frank Barrett made the arrangement for having the films shown at Skidmore and George Ulmers, Jr., made the arrangement for showing them at Hopkins.

One of the film dates was changed today when Miss Rose Shinabargar of the Rockford school asked that the pictures be shown there Tuesday, September 26 in place of Friday, September 15.

**ARRAIGNED IN JOHNSON'S COURT—RELEASED ON BOND**

Leo Ellis Bradley and Claude Watson were arraigned today in the court of Justice W. L. Johnson on a statutory charge. The trial was set for September 20. The men were released on bonds of $500 each, Bradley's bond was signed by Allie R. Bradley and that of Watson by Laura M. Watson.

**Visitors from Omaha**

Mrs. L. E. Conklin and children, Charlotte and Edwin, will arrive Friday morning from Omaha to visit at the home of Mrs. Conklin's parents, Mr. and Mrs. U. S. Wright. Mr. and Mrs. Conklin and family, who have been residing in Long Beach, Cal., for two years, returned to Omaha, their former home, two weeks ago.

Mr. and Mrs. Jesse Beaver of Burlington Junction were visitors in Maryville today.

**THE WEATHER**

Fair tonight and Thursday; little change in temperature.

For Judge Probate Court—Jesse F. Robertson.

## THE NEW SCHOOL YEAR

The real New Year for multitudes of children and young people is not January 1, but the day when school or college begins. This is the time for their new resolves of effort.

One of the big problems of successful school management, is to keep the classes working together and prevent the slower pupils from falling behind. Where some drag, the work of the whole group must suffer. The bright students become tired of the slow progress, and may put their surplus energy into mischief. The capable teacher devotes her earnest effort to explain away the difficulties that perplex the more sluggish minds.

Parents are keenly ambitious in these times, and hate to see their children fall back. Some who have not fully kept up, attend study camps in summer, while others are given make up tasks at home under a tutor or parental instruction. Many children who have required this special attention, have so profited by the effort that thereafter they should keep up.

Yet complaints are often heard that the schools drive their young people too hard. A nervous child who is doing the best he can but is worrying about his work, is evidently getting wrong treatment. It will do some of these no harm to drop back a year, and they should not feel any disgrace in it.

Other children would be able to do their work all right if they would play games and exercise in the open air all they can, instead of spending spare hours in aimless loafing. A child with a good vigorous body can usually do the work of the ordinary school course.

The Democrat-Forum offers its best wishes for the new year of school, and hopes that the teachers will receive hearty home support and that the pupils will find the satisfaction that comes from well learned lessons.

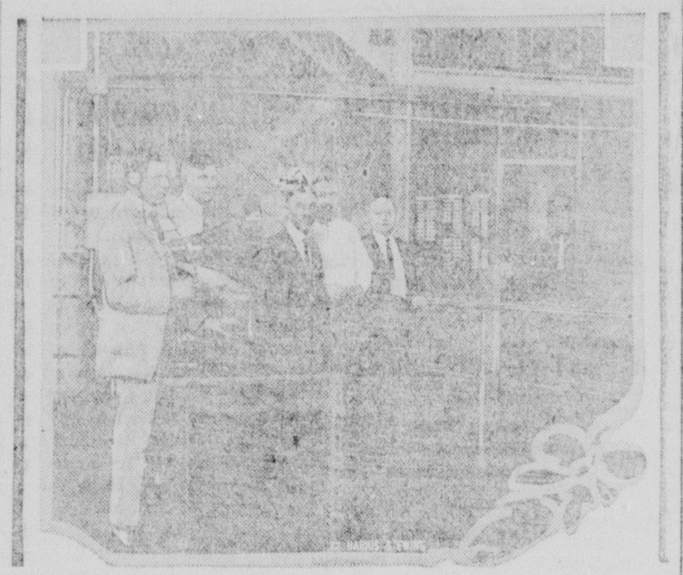
Women are learning to smoke but they are still poor spitters.

This change in the weather is hard on straw hats and white shoes.

Many a man who lives on easy street visits on Wall street to his sorrow.

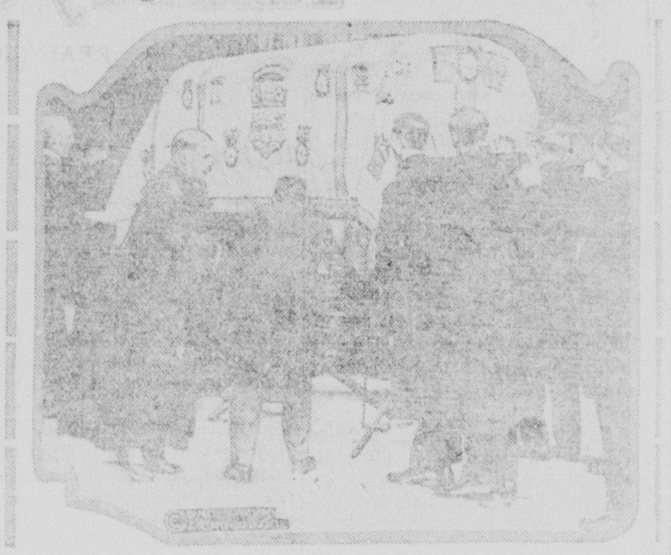
OMAR CIGARETTES
20 for 20
AGAIN!

## Radio in Washington's Jail



The District of Columbia jail has the distinction of being the first penal institution in the United States to install a complete radio outfit. By it frequent concerts may be given the more than three hundred prisoners.

## Bearing Northcliffe Into Westminster



The casket containing the body of Lord Northcliffe, draped with a pall of beautiful heraldic embroidery, being borne into Westminster Abbey for the funeral service.

Some fellows never take the first think and thereby escape the thinking habit.

People who pay for electric light get a lot more of it when they keep their light globes clean.

Good liquor used to be aged in the wood. A good many good drinkers get aged in the wood nowdays.

Genius rarely makes money for its pissessor but it frequently develops something that makes money for millions later on.

The results of the election in Maine will furnish comfort to both parties. The Republicans carried the state as usual but the majority is only 27,000 so the Democrats can find comfort and hope in the reduced majority.

A great brain specialist who has learned all about the mechanics of the human brain is dead. He perhaps didn't know any more about the nature of the intellectual force that operates the machinery of the brain than any one else. That is a mystery to all of us. And who of us can draw the line between intellectual force and emotion and instinct that plays so great a part of human activities? It has been estimated that about nine tenths of the human activities are directed by emotion and instinct. If that is so, we are not so far removed from the animal after all.

## Forumettes

The best way to make your
Dreams come true is to
Put in every day working
Just as hard as you can.

Even if a man is an all around dub you generally can find some fool woman who thinks he is the finest speciman on the globe.

Most of us remember being shocked when Maryville bloomer girls rode down the street. We hesitate to speculate on what they would wear if they rode bicycles these days.

We often speak of a "fool and his money" but we have yet to see the combination.

When a Maryville girl refuses to sing it generally because she has not been coaxed enough and not because she thinks she can't sing.

Uncle Abner says a man may be deaf yet hear money talk.

One of our neighbors had a guest a relative who was an aviator in the late war and he was entertaining them one evening with tales of his exploits. At the end of a thrilling story the little daughter of the household spoke up "I can't remember how it feels to sail through the sky." "Why! Hazel" exclaimed the startled mother "You were never in the air in your life" Well mama" she replied "didn't you say a stork brought me?"

The reason a gentleman usually is conceited is because "a gentleman never forgets himself", as a writer on how to act in society says.

You don't have to associate with electricians to hear shocking language.

It is poor policy to burn your bridges behind you unless you are insured.

Louise, the stenographer, says the reason so many Maryville people are such poor fishermen is because the fish they hope to catch are to big for the hook.

All of us can remember the days in Maryville when we used to sing 'Come and ride with me Lucile in my merry Oldsmobile" and the cute little curved dash autos with the simple steering handles.

Many a Maryville man is looking forward to the coming of cooler days so he can don his vest again and find parking places for the numerous articles so necessary for his comfort.

### Vagrant Musings.

A lot of us think it would be easy to hold if we could only have.

One of the things which usually does not begin at home is charity.

The candidate who deserves votes usually is the one who does not get them.

Poverty is the mother and father of many efforts which have done much for the world.

We have heard of blond women who really are blond.

### Needed Inventions.

A telephone book with wrong numbers to call when you want to get the right ones.

## U. S. FARMERS REACH RSSSIA WITH TOOLS

Use of Land in Volga Valley Extended to Them—They Bring Implements

Moscow, Sept. 13—Eleven American farmers arrived recently in Moscow under the leadership of Harold Weber, a professor of agriculture, and Charles Hack, a Non-Partisan League farmer, to set up a demonstration farm in the Volga Valley.

They bring with them twenty-one tractors, together with large numbers of spare parts, seed for Fall planting, and all their own food for six months. They are an expedition organized by the Friends of Soviet Russia at a cost of $50,000. They are securing from the Government the use of 65,000 acres of land in the Volga Valley, where they propose to live in tents while cultivating and planting the land on a huge scale.

After sowing the Winter grain they will go back to America, taking with them motion pictures of their operations. Their place will be taken next Spring by another group, which will reap the harvest and donate it to needy people in Russia.

They will employ such peasant labor as they need, training the peasants meanwhile in scientific farming. Every tractor which they bring bears the inscription: "A present from the workers of the United States to the workers of Russia."

### JAMISON'S HOGS WINNERS AT THE BETHANY FAIR

Fred Jamison, who lives on the Fred P. Robinson farm and who makes a specialty of Poland-China hogs, took at the North Missouri District Fair at Bethany, four firsts, one third and one fourth prize on a junior yearling sow and her littre of six pigs, farrowed April 1. The pigs averaged 186 pounds each. Mr. Jamison has 250 head of the Poland-Chinas on the farm.

## NOT SO MANY TOURISTS AT PARK SINCE IT'S COOL

But Five Parties Stopped from Sunday Evening Until Last Night

The cool weather seems to have made the stopping at the tourists park by those on the road less than it was during the hotter days. Only about five parties stopped there from Sunday evening until last night.

Mr. and Mrs. E. J. Meissner of Marshaltown, Ia., were at the park last night. They were traveling in a Ford coupe, with all the camp equipment they needed strapped on the side. They had been north to Deerwood, Minn., and then back south to Warrensburg, Mo., where they visited Mrs. Meissner's sister, Mrs. L. C. Henderson. Later they stopped in Kansas City to visit Mr. Meissner's relatives. Although they were a young looking couple they insisted that the trip they were on was not a honeymoon.

Mr. Meissner said that they found the road from Des Moines to Kansas City, following the Jefferson Highway, a rough one but that the Itaska Park highway, which they had followed here from St. Joseph was a pretty good one.

The others registered at the park since Sunday evening were: Mr. and Mrs. Frank D. Childress and family of Brush, Colo.; Mr. and Mrs. Oren K. Chulick of Griswold, Ia.; Miss Mabel Craig, St. Joseph; Mr. and Mrs. Davis Hines of Algona, Ia.

"Is the Product Right?"

It is a maxim of advertising that a poor product cannot be successfully advertised. It may flash upon the scene with brilliance, become the talk of the hour, and to all appearances be destined to set new records, but unless it is and does what is claimed for it, no amount of printer's ink and artist's colors can give it permanence.

Once in a while some article of merchandise will appear to defy this rule, but not for long. Public response, at first, perhaps, quick and active, becomes slower and slower. Sales fall off. The business grows sick, and in a few months or a few years, the very name of the product is forgotten.

Advertising men know this so well that today the first question upon which they must be satisfied before they will recommend advertising to any manufacturer is —Is the product right?

And merchandise that is right—merchandise that will satisfy in service—merchandise that will bring customers back for another purchase is the first requirement of the jobber and the retailer who expect to endure and flourish.

There is no better assurance of this kind of merchandise than an advertising pledge to the public.

Published by the Maryville Democrat-Forum in co-operation with The American Association of Advertising Agencies.

# Social Affairs and Clubs

**Excelsior S. S. Class**

The Excelsior Sunday School class of the Wilcox Methodist Church will meet Saturday evening at the home of Pauline Thompson.

**Mrs. Smock Hostess**

The Merry Mingler Club will be entertained tomorrow afternoon at the home of Mrs. Henry Smock, east of Maryville.

**Royal Neighbors**

The Royal Neighbors have postponed their meeting for tomorrow afternoon. The meeting will be held September 21.

**Ladies Aid Society.**

The Ladies Aid Society of the First Methodist Church will meet at 2:30 o'clock tomorrow afternoon at the church. Division 2 will have charge of the refreshments.

**Hanna Dinner Guests**

Mr. and Mrs. O. C. Hanna entertained with a 12 o'clock dinner today at their home on North Main Street. Plates were laid for Mrs. J. W. Shroyer and her daughter, Mrs. M. E. Lane of Kingman, Kan., Mrs. Agnes Dutton and the hosts.

**Welborns Entertain**

Mr. and Mrs. Ernest Welborn entertained at dinner Monday at their home, Mr. and Mrs. J. S. Casteel of Ravenwood and their daughter, Mrs. Clarence Steiger, and Mr. Steiger, of Jefferson City, who are visiting at the Casteel home.

**Ladies Auxiliary Meets**

The regular meeting of the Ladies Auxiliary of Seth Ray David Post was held last night in the post rooms. Mrs. S. S. Murdock was received as a new member of the auxiliary. The members expressed a desire to hear the lecture which was delivered by the Rev. J. A. Cooper, pastor of the First Baptist Church, on his chautauqua tour this summer and it was decided to ask him to give it at an open meeting of the Auxiliary.

**Burks Entertain**

Mr. and Mrs. W. A. Burks of Pickering entertained at dinner yesterday in honor of their daughter, Mrs. Milton J. Hull and children, Annabel, Billy and Harold, who are leaving today for their new home at Glenwood, Ia. Plates were laid for Mr. and Mrs. Erma Hackett and children, George Burks, Virginia and Galen, Mr. and Mrs. Howard Null and daughter, Mary Katherine, Allen Russell, Paul Burks and the honor guests and hosts. Mr. Hull left last week to take up his new work at Glenwood.

**For Miss Curfman**

A family dinner will be given tomorrow evening at the home of Mrs. J. C. Curfman on South Buchanan Street as a farewell courtesy to her granddaughter, Miss Lula Mae Curfman, who will leave Friday for Evanston, Ill., to enter Northwestern University. The company will include, in addition to the hostess and honor guest, Mr. and Mrs. E. C. Curfman and daughters, Misses Helen, Mary Ruth and Gertrude Curfman, Mr. and Mrs. F. L. Curfman and children, John, Ralph and Marguerite, and Mr. and Mrs. Roy Curfman and children, Virginia and Robert Joseph.

**Class Elects New Officers**

Mrs. Warren Jones was elected president of the Wesleyan Bible Class of the First Methodist Church last night at the last meeting of the church year at the home of Mrs. C. E. Stillwell on South Fillmore Street. Mrs. Jones succeeds Miss Emma Hull, who has been president of the class for six years. Mrs. Beulah Bennett was elected vice president, and Miss Bertha Swallow, secretary-treasurer. Miss May Howland gave an interesting talk on Marcy Center, which she and Miss Hull visited while in Chicago recently. The class members presented Mrs. Jones, a recent bride, with a set of cut glass sherbets, as a wedding gift. The class completed plans for the serving of lunch at the Emmett Scott sale tomorrow. Mrs. Stilwell and the assisting hostesses, Miss Bertha Swallow and Miss Emma Hull, served refreshments at the close of the meeting. Miss Gertrude Johnson of Bedford, Ohio, the guest of Mrs. Guy Haller, Miss Gladys Mendenhall of Wilcox, guest of Miss Mayme Heflin, and Dorothy Glenn, Walter Wade and Helen Gaugh were guests of the class, and there were thirty members present.

**First Meeting Saturday**

The Mission Circle of the First Christian Church will hold its first meeting of the season at 2:30 o'clock Saturday afternoon at the home of Mrs. Arch Frank on East Seventh street. Mrs. Carl Murray and Mrs. Vira Dawson will be the assisting hostesses.

**Picnic Supper at Park**

A picnic was given Tuesday evening at the College Park in honor of the birthday anniversary of Mrs. E. T. Dale. Supper was cooked over a camp fire and later the party went to the Dale home, 609 North Mulberry street, where games were enjoyed. In the party were Mr. and Mrs. Raymond Barry, Mr. and Mrs. E. W. Heideman, Mr. and Mrs. W. H. Campbell and daughter, Arvilla, Mr. and Mrs. N. H. Brown and little daughter, Emma Isabel, Mr. and Mrs. C. E. Williams, Mr. and Mrs. J. W. Herndon, Mr. and Mrs. E. L. Ferritor, Mr. and Mrs . E. T. Dale, Mrs. Belle Davenport, Misses Grace and Mary Ferritor, Miss Florence Holliday, and Raymond Barry, Jr.

**M. I. Circle**

One of the most enjoyable affairs of the beginning season's club work was a one o'clock luncheon given by the Mutual Improvement Circle yesterday at the home of Mrs. J. P. Price on South Buchanan Street. The tables were centered with vases of flowers in which the club colors of pink and olive green predominated. Dainty hand-painted place cards, the work of the circle artist, Mrs. Vada Halley, were the favors. Mrs. Halley presided as toastmistress and presented Mrs. Eugene Ogden who gave a toast in verse to "Our Hostess." This was graciously responded to by Mrs. J. P. Price. Following the devotions and roll call Mrs. J. D. England, the retiring president, gave a much appreciated talk to the Circle, Mrs. Robert Lyle, the incoming president, following with a spirited talk.

This event marks the beginning of the twenty-seventh year of the organization. During that time over one hundred and thirty-five names have been enrolled, the membership each year having been limited to twenty-four members. The guests at the luncheon included the active and retired members and the assistant hostesses, Miss Matie Price, Mrs. Clifford M. Hull and Mrs. Leonard Gray. A special feature of the program was an original poem, "The M. I. Circle," by Mrs. Eugene Ogden.

## MRS. ELIZABETH GRAVES DIES AT COUNCIL BLUFFS

**Funeral Is To Be Held at Burlington Junction at 2:30 O'Clock Tomorrow Afternoon**

Mrs. Eliza Graves died yesterday at her home in Council Bluffs, Ia., following an illness of two weeks. The body will be sent to Burlington Junction, the former home of Mrs. Graves, for burial and will arrive there tomorrow morning. Funeral services will be held at 2:30 o'clock tomorrow afternoon at the Methodist Church in Burlington Junction, conducted by the Rev. F. E. Edwards, pastor of the church. Burial will be in the Ohio cemetery by the side of her husband, William Graves, who died about fifteen years ago.

Mrs. Graves was about 69 years old and resided in Burlington Junction for a number of years previous to he removal to Council Bluffs nine years ago. She is survived by two daughters and three sons, all living in Council Bluffs. Mrs. Harve England of Maryville and Mrs. John Dooley, living southwest of Maryville are surviving nieces. Mrs. England will go to Burlington Junction tomorrow for the funeral.

**Probate Court Appointments**

The following appointments were made by the probate court of Judge Jesse Robertson in the session that closed yesterday:

Executor of the estate of Sumner Carver, Dale D. Carver.

Administrator of the estate of Henry Hubbard, Albert W. Hubbard, Barnard.

Curator for Edith C. and Lucile F. McGeorge, minors, Marsh R. Reynolds, Guilford.

Administrator on the estate of Joseph F. Van Ausdall, Seneca F. Van Ausdall, Burlington Junction.

Guardian for Frances Irene Foster, minor, Daily Foster, Parnell.

Executor of the estate of Jacob Miller, Ira E. Miller, Ravenwood.

Guardian for Thomas Adolph Jordan, Daily Foster, Parnell.

Mr. and Mrs. Irvin Will left Sunday for Bethel, Mo., to spend two weeks with relatives and friends.

A good tasty lunch served in a clean, comfortable, exclusive place. Try this Tea Room Luncheonette.

## *Maryville Kiddies Play "Auto" Now Instead Of Horse*

The days of "playing horse" are gone forever, as far as Maryville kiddies are concerned. "Giddaps" are no longer heard and a youngster trotting down the street with another driving him with mother's clothes line for a bridle is no longer a familiar sight. The kiddies must have speed these days of speedy things, and a sudden "Honk! Honk." shouted in a childish treble, warns the pedestrian that a board "Packard," with baby carriage wheels and perhaps a tin can for a headlight, is approaching as fast as its "one-boy power" motor will permit it.

"Play horse!" exclaimed a pretty little miss of 9 in answer to a query. "No! Horses are not fast enough! This is my 'Maxwell' car," and she explained that the two tin disks on the front were the lights, and that a crimson painted disk tacked onto the rear was the tail light. The "Maxwell" had no mudguards, but its little owner said that before long her brother, who is the "garage man" for her "machine," would fix the contraption up into a most sumptuous affair.

And then farther up the street a lad was shrilling forth the nearest sound to a fire bell that he could make while his "fire truck" was racing to an imaginary conflagration somewhere in the neighborhood. Business autos, pleasure autos, trucks, and the rest of them; Maryville kiddies are through with Dobbin and the old-fashioned "Giddap."

## SALINE COUNTY WANTS TO HAVE AGRICULTURE FILMS TOO

**Chamber of Commerce at Marshall Writes to Pickens to Know About Them**

The following letter was received this morning by George A. Pickens, secretary of the Maryville Chamber of Commerce, from C. B. Bacon, secretary of the Chamber of Commerce at Marshall, Mo.

"You certainly made a hit with your moving pictures of Nodaway County at the State Fair. Many from Saline visited your tent and all reported your plan for advertising your county as one of the best they had ever seen. They were so favorably impressed that they have asked us if we could not have the same kind of a show for our county in connection with our fall festival. Of course, we could not have it complete, but I have been wondering if it would be possible to get up a part of the show now and then complete our films at some future time.

"We are planning to hold our festival the latter part of October and as I have no idea as to how long it will take to get these pictures and films in shape to give the show I am writing you to ask you to please advise me as to the time it would take, also who it is we could get to do this work for us at the earliest date possible."

MARYVILLE'S REAL CITY STORE

# Smart Styles
## For the Full-Figure

In the spirit of real service which underlies every effort of this store, we present a freshly arrived collection of dresses and suits for the consideration of the women of full figure.

No full figured woman who appreciates the importance of attractive attire should overlook this opportunity to secure a garment exactly suited to her individual figure.

## Snappy Dresses

Wool dresses of poiret twill, tricotine and wool crepe, silk dresses of canton crepe, crepe de chine and lace and georgette combination.

Low waistlines, generous length, long straight lines and draped effects, large sleeves, metal trimmings, these are some of the highlights of the new dresses. Black, navy and brown are the colors most in evidence. Priced at ..... $22.50 to $45.00

## Fall Suits

Becomingness is assured in every stitch of these suits. Coats are long, straight-line models that maintain slenderizing lines in trimmings as well as styles. Tailoring is excellent. Modes are in black, navy and brown. Some have fur collars.

Prices range from ..... $35.00 to $75.00

## HYDE RECITES ACHIEVEMENTS OF REPUBLICAN PARTY

**Gathering of Republican Leaders at Springfield in Accord with His Issues and Ideas**

Springfield, Mo., Sept. 13—A recital of the Republican party's achievements in Missouri since coming into power in 1920 was the basis of an address by Governor Arthur M. Hyde before the Republican state platform convention here yesterday.

The gathering of Republican leaders from over the state was in hearty accord with the issues and ideas expounded by the governor throughout his entire speech, interrupting frequently with applause and cheers.

Governor Hyde scored the Democrats who broke their platform pledges and the obligation to the state by holding up economical and efficient consolidation legislation by the referendum, declaring that to be a main issue in the coming campaign. He dwelt at length on benefits extended to the schools, road improvements and made statistical comparisons on the business efficiency of state government now and in Democratic administrations.

Convention committees were named as follows:

Resolutions—First district, Lieut. Gov. Hiram Lloyd, St. Louis, chairman; Second, Gov. A. M. Hyde, Trenton; Third, J. A. Rathburn, Cameron; Fourth, Ralph O. Stauber, St. Joseph; Fifth J. D. Bowersock, Kansas City; Sixth, Arthur C. Griffith, Greenfield; Seventh, John Aven, Springfield; Eighth, Sam A. Baker, Jefferson City; Ninth, Charles U. Becker, Bolivar; Tenth, Conway Elder, St. Louis; Eleventh, Joe Mogler, St. Louis; Twelfth, William M. Runge, St. Louis; Thirteenth, J. Henry Keisler, Perryville; Fourteenth, Arch Hollenbeck, West Plains; Fifteenth, Harry Ozee, Nevada; Sixteenth, Phil A. Bennett, Buffalo.

Rules and order of business—First, Ed S. Brown, Edina; Second, Thomas C. McVey, Trenton; Third not represented; Fourth, E. H. Busiek, Kansas City; Fifth, Homer B. Mann, Kansas City, chairman; Sixth, R. J. Grover, Warrensburg; Seventh, E. E. E. McJimsey, Springfield; Eighth, Dudley F. Calfee, Jefferson City; Ninth, Harry Householder, Mexico; Tenth, Louis J. Becker, St. Louis; Twelfth, I. H. Bradbury, St. Louis; Thirteenth, Lawrence Casey, Potosi; Fourteenth, Mrs. D. E. Bailey, Blodgett; Fifteenth, Mrs. T. J. Franks, Joplin; Sixteenth, I. T. Curry, Lebanon.

### FEW YOUNG FOLK LIKE JAZZ, SAYS GIRL WHO TEACHES BIBLE CLASS

Youngstown, O., Sept.13.—Only 3 per cent of the young people of the day prefer relaxation in the form of jazz. The other 97 per cent are innately decent. They want a good time, but they like wholesome pleasure. They like out-of-doors pleasures and especially the case among college things that are worth while. This is and university girls, as well as business girls, said Miss Jessie Burrall, famous bible teacher, who recently left a class of 1,600 girls to institute a religious department at Foster Institute.

"It's the greatest fun in the world to be a Christian" said Miss Burrall. "I do not seek the sensational. I like girls and they like me, and this is the largest element in whatever success I have had."

## SEPTEMBER 28 IS FRANCES WILLARD DAY IN SCHOOL

**State Superintendent of Schools Suggests That Quarter of the Day be Used for Program.**

A communication has been received at the office of Leslie G. Somerville, county superintendent of schools, calling attention to the fact that September 28 has been set apart as Frances Willard Day in the schools of Missouri. The communication came from Sam A. Baker, state superintendent of schools. Mr. Baker sent the county superintendent a suggested program to be given in the schools. It is suggested that a quarter of the day be spent in the rendering of a Frances Willard program.

The suggested program would bring out some of the ideas Frances Willard had and some of the ideals she stood for.

### COW PRODUCES 3,506 POUNDS OF MILK A MONTH

Newark, O., Sept. 13.—Lindale Aggie Concordia, 303,996, registered Holstein, owned by B. G. Dawes, prominent Licking County farmer, now holds the week and month production for both milk and butter in Ohio. She attained first place by producing 831.6 pounds of milk and 29.63 pounds of butter in one week, and3, 506 pounds of milk and 122 pounds of butter in one month.

### 10 WOMEN SHOPPING FOR SUPPER GO ON SPREE.

New York Sept. 13— Ten women charged with disorderly conduct and intoxication were arraigned before Magistrate McGeehan, in Yorkville Court. Police records showed that all had previously been arrested on similar charges one or more times.

All the prisoners were arrested during the night in St. Gabriel's Park. When arraigned the women carried loaves of bread, packages of meat and groceries, having gone on a spree while shopping for supper.

### MARYVILLE MEN AT DEMOCRATIC CONVENTION

Excelsior Springs, Sept. 13—Dan R. Baker of Maryville, chairman of the Fourth district congressional committee, is here, milling around among the northwest Missouri delegates to feel out the sentiment for Spratt. Baker claims that northwest Missouri will be strongly Democratic this fall. He says the sentiment is not so strong for Reed but that the senator is gaining in strength and that the district is strong for Spratt. James Todd of Maryville, postmaster and publisher of the Maryville Democrat-Forum, is also here as a spectator.—St. Joseph News-Press.

### "RED" PROPAGANDISTS ARE CAUGHT ON BORDER

Paris, Sept. 13.—Perspiration roling down their faces, ready to faint with fatigue, two young men were arrested on the French side of the Franco-German frontier because they passed the customs line without declaring the contents of two huge boxes they carried, each weighing fifty pounds. The boxes, when opened, were found to contain communistic propaganda, written in Moscow and printed in Berlin.

### BOLT KILLS FIVE COWS, ALL CHAINED TOGETHER

Unionville, N. Y., Sept. 13.—Five cows, all attached to the same chain, were killed on Frank Ford's farm near here by a bolt of lightning.

Another bolt ripped off a section of the steeple of Grace Church, in Port Jervis. Slate shingles were scattered for a distance of a hundred feet.

### TO MAKE FURTHER ATTEMPTS TO COMBINE FARMERS

Jefferson City, Sept. 13—Failure of the Missouri Farmers' Association to take action on the recent proposal for consolidation of the organization with the Missouri Farm Bureau Federation has been met by the Farm Bureau leaders with a declaration that they intend to continue their efforts along this line until the farmers of Missouri have the single powerful organization so greatly needed at this time.

# Ford — THE UNIVERSAL CAR

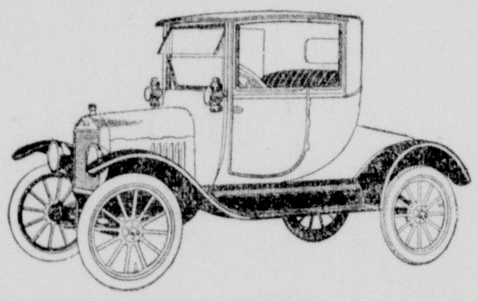
# Better Than Ever Before!

Month after month, since the War the Ford Motor Company have been making their products—Cars, Trucks and Tractors—better, improving at increased cost in manufacture—at the same time lowering the prices as material, markets, more efficient labor and increased production made it possible.

BETTER? We answer emphatically "YES." How do we know? Read every word of these details. The answer is here:

1. **STARTER.** Over two years ago the starter was perfected. Today there is no more reliable starter on any car in America and no starter with higher grade material in its component parts. No starter is more efficient. A new stiff motor, which a strong man cannot "turn over" is whirled speedily with apparent ease by this starter. It is as nearly fool proof as a starter can be made. It starts the car in the coldest weather.

2. **BATTERY.** The starter is powered with an 8 volt, 80 amp. storage battery of 13 plates. No higher grade battery goes into any car. And if you need replacement, Ford supplies this powerful battery to you at only $22.00, less a liberal allowance for your old one in exchange.



3. **INSULATION.** Ford's system of insulating the starting, lighting and ignition systems is so thorough and perfected that no car is afforded a lower rate of fire insurance. The insulating features have been developed gradually for over two years. We invite your closest inspection of this point.

4. **LENS.** Fords are equipped with the type "H" headlamp lens. It complies with all state laws. It is a non-glare, diffusing lens. And, if you break one you buy a new one for only 35c.

5. **FAN.** Today the fan has large airplane propeller type blades. They are fastened on to the fan driven pulley by screws and the fan shaft thru this pulley runs in a bath of lubricating oil, and is dust proof. The fan pulleys are larger so that fan belts are not subject to unusual wear. Fan belts are now of long life.

6. **COOLING SYSTEM.** Fords now run without getting hot. This is due to:

a—Larger radiator.
b—Larger water capacity of cylinder head.
c—Airplane type fan, larger blades.
d—Fan driven faster.
e—More efficient carburetor.
f—Better ignition, change in brush assembly.
g—Improved rings and pistons, reducing carbonization.
h—Polished bearings—eliminating friction.

7. **PISTONS.** They are ¾ pound lighter. The head is stronger. Gives engine more "pep" than ever. Increases mileage per gallon of gasoline. No car at any price has better material in pistons. Pistons are weighed in each motor to get exact counterbalance.

8. **CONNECTING RODS.** Made lighter yet stronger by means of small fillet along edge. Heated in electric furnace, insuring uniformity in manufacture and no carbon "spots."

9. **CRANK SHAFT.** Of very highest grade material obtainable. Specially heated, treated in electric furnace. Bearing surfaces highly polished to "blue steel." Exactly counterbalanced by experts.

10. **CAM SHAFT.** It too, gets the same treatment and same material. The two front cam shaft bearings are now lined with high speed bearing metal.

11. **MOTOR SUSPENSION.** New spring clip over front spring is also one point motor suspension. It gives the car more flexibility and minimizes breaking of front cross members. Reduces front spring breakage also.

12. **IGNITION.** The old reliable built in magneto is with us but improved. The magneto coil has been changed for efficiency and the magnets made heavier. It's the simplest ever.

The commutator case is better, more insulation and the commutator brush assembly is of steel. It is more serviceable and longer lifed.

13. **DRIVE SHAFT ASSEMBLY.** A new type of ball thrust bearing has practically eliminated trouble from this source. The drive shaft roller bearing housing is now cast steel with the drive shaft sleeve machined in it. We have never had one break.

14. **DIFFERENTIAL.** The differential case is stronger. Trouble, too, has been eliminated by changing the drive shaft pinion slightly, by strengthening the heel of each tooth. Every pinion is now tested for hardness, guaranteeing service.

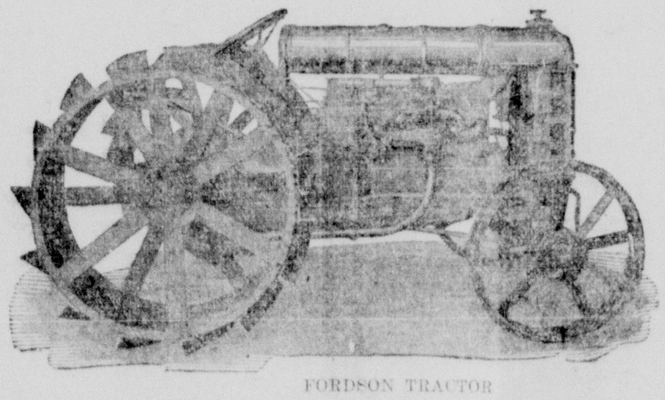
15. **WHEELS.** Regular wheels are second growth, seasoned hickory. The Ford demountables have proven the salvation of this type.

Timken roller bearings have done practically away with wheel bearing trouble and reduced friction. Supplied in closed cars and trucks without additional charge.

16. **CONTROL.** Easy, because:

a—Steering wheel 16 in. Easy to handle.
b—Short turning radius.
c—Direct steering mechanism.
d—Gear change by foot pedal action only.
e—Possibility of quick shift from low to high speed.
f—Impossibility of failure to accomplish gear shifts.
g—Ample and positive brakes.
h—Short wheel base.

17. **RUNNING BOARDS.** They are now supported by heavy channel supports, riveted securely to and crossing the frame, adding strength, durability and rigidity and eliminating vibration.



FORDSON TRACTOR
The Outstanding Farm Power for all Purposes.
We invite your inquiries at any time. We will supply you with information.

18. **MUFFLER.** The Ford muffler is now made with the exhaust pipe. The material is light and the muffling of the motor exhaust is effieient. Construction of the muffler insures against noises.

19. **RADIUS ROD.** Strength of construction is apparent from the present application of the front radius rod underneath the front axle. They are fastened on by tapered nuts in tapered seats.

20. **COILS.** With measures today to protect the coils from troubling during hard rain, the customer need have no fear of water. Felt, paraffine, and a metal water trough does away entirely with such difficulties by carrying the water away. Your old car can have these protective features applied at small cost.

21. **RADIATOR MOUNTING.** The radiator is now mounted upon springs whereby it is afforded a limited flexibility. This increases the life of the radiator, prevents possible breakage due to weaving of the frame, and relieves the radiator from sudden shocks and vibration. The tubular radiator is a good cooling system and easily repaired if damaged.

22. **SPRING HANGERS.** The new one-piece spring hangers are a decided improvement. Being in one piece they cannot loosen up or rattle in service and their permanent alignment means better spring action and better riding qualities.

23. **FORD DESIGN CUT-OUT.** The new Ford generator cut-out has been designed with special reference to:

1. Reliability.
2. Simplicity.

It is very compact, of comparatively few parts, and with ample insulators. It operates upon the oldest, simplest and most reliable cut-out principle and is located directly upon the generator.

The new cut-out is furnished sealed in the confidence that the owner should have no trouble with his unit, and no occasion for manipulation or adjustment.

24. **STEERING WHEEL STOP.** The steering wheel stop limits the travel of the steering wheel between those positions in which the front wheel spindles strike the front axle yokes. This means that the full steering wheel motion is always effective in turning the front wheels, and the stop prevents straining or buckling of the steering mechanism after the front wheels have reached the limit of their travel.

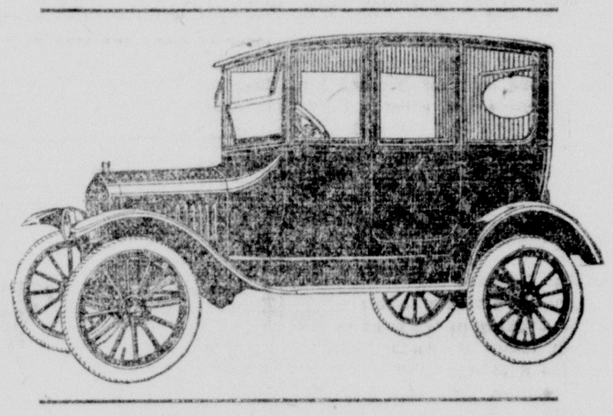
25. **STEERING MECHANISM.** Improvement has been made in the Ford steering mechanism by the use of a taper construction on the steering ball bolt. The tapered bolt fitting into a special tapered seat in the steering connecting rod yoke provides a construction initially tight and prevents loosening and rattle in service.

26. **SPARE TIRE CARRIER.** An improved design which combines light weight with increased strength and rigity. The new design reduces vibration.

27. **OPEN BODY REFINEMENTS.** The seats are upholstered well and are comfortable to sit in. The body has more room and the lines are more attractive.

28. **ONE-MAN TOP AND SLANTING WINDSHIELD.** We are just starting on deliveries of Ford cars equipped with one-man tops and slanting, ventilating windshields. There is no extra charge. The top back curtain has a side shield. This improvement adds to the appearance of the car.

29. **CLOSED BODY REFINEMENTS.** Sedans and Coupes are now upholstered in walnut brown broadcloth. The windows in front and the door windows are adjustable for any height. Door handles are better. Door pulls are nickel. The floor is carpeted with a heavy knap close woven carpet.



30. **HORNS.** Closed jobs are now equipped with battery type electric horns without extra charge.

31. **TOOLS.** Experience with various types of pumps has led to a standardized Ford design which is the equal of any pump on the market. The new Ford design jack gives the owner at once a simple, powerful jack. All other Ford tools are heavier and better.

**Buy a Ford and Spend the Difference**

## SCHOOLS RECEIVE $74,251.87 FROM FOUR SOURCES

Comes From Township, County, State and Railroads—To Be Paid About October 1.

The schools of Nodaway County will receive a total of $74,251.87 from the township, county, state and railroad tax this year. This amount is $3,909.04 less than was received from these three sources. It was said at the office of the county clerk today that the money would be paid about October 1. It will be apportioned to the various districts of the county according to the total days of attendance during the school year. The cause for the fund being less this year than last year is principally due to the fact that the railroad tax this year was only about $16,000 as against about $23,000 for the year before.

The amounts from the various funds follows:

Special state aid to districts $7,575.

State school fund $41,995.18.

Fine and forfeiture fund interest —$6,689.48.

Township and range fund interest —$1,200.13.

Railroad tax, teachers and incidental fund, $15,952.37.

Railroad tax and building fund—$339.75.

Total—$74,251.87.

### NEW YORK CAPITALIST SAYS ALL ALLIES CAN PAY DEBTS

Washington, Sept. 13—A vigorous protest against the cancellation of the eleven billion dollars of foreign debt to the United States was made by Bernard Baruch of New York, capitalist, in a letter to Senator Borah, Republican, Idaho. The letter was read in the senate today. Baruch declared that all the allies are able to pay their debts.

### Mrs. Heifner Undergoes Operation

Mrs. J. J. Heifner, 704 North Main street, underwent an operation for appendicitis this morning at St. Francis Hospital. Her condition this afternoon was satisfactory. Mrs. Heifner was removed to the hospital late last night after a second attack of the disease.

## CONFERRING FOR PEACE TERMS IN IRELAND

But Fighting Contiues in Dublin—Mountjoy Prison Is Being Stormed

Dublin, Sept. 13.—Eamonn DeValera has been here conferring with General Richard Mulcahy, commander of the Free State Army, on peace terms for the Irish, the Irregulars learned today. The general opinion is that peace at this time between the two factions is improbable.

Dublin, Sept. 13—Fighting broke out today between the Irregulars and the Free Staters when the former attempted to storm the Mountjoy prison, where Frederick O'Connor, former commander-in-chief of the rebels, and other Irregulars are confined. The Irregulars dispersed after the battle lasted a half hour. The casualties are unknown.

## BULGERIA GETTING READY TO FIGHT THE GREEKS

Jugo-Slavia, Fearing the New Balkan War, Has Begun Mobilization of Its Forces

London, Sept. 13.—Bulgaria is preparing for a war against Greece, as a result of the Greek defeat by the Turks, to restore the old Bulgarian boundary in the southeastern corner of the Balkans, according to information received today. It is reported that fighting has already broken out between the Turks, Bulgarians, Irregulars and the Greeks on the southern frontier of Bulgaria.

Athens, Sept. 13.—Jugo-Slavia, fearing the new Balkan war, has begun to mobilize, according to information from Sofia today. Jugo-Slavia and Roumania have both informed Greece that they will offer aid in the event of another war of the Balkan powers against Turkey.

## NODAWAY COUNTY PEOPLE TO ALBANY FOR TRIAL TOMORROW

Have Been Called as Witnesses in Case Against Lippman and City of Burlington Junction.

A number of Nodaway County people will be at Albany tomorrow as witnesses on the trial in which Mrs. Jessie A. Smith of Albany is suing the city of Burlington Junction and Adolph Lippman for $10,000. Mrs. Smith's husband fell into an excavation at the rear of the Lippman building in Burlington Junction December 7, 1921, and according to the petition, died from the injuries that he received.

Shinebargar, Blagg and Ellison are the attorney for the city of Burlington Junction, Cook & Cummins are the attorneys for Lippman and W. K. Amick of St. Joseph is the attorney for Mrs. Smith.

### PISA'S LEANING TOWER MAY CRASH TO EARTH

Pisa, Sept. 13.—After all these centuries, will the leaning tower of Pisa finally fall to the ground?

A local geological expert says it is within the realm of possibility if an earthquake shifts the angle at which it leans.

Several earthquakes have been reported this summer in this section of Nothern Italy, and the trembling of the earth's surface was felt at Pisa.

### Ravenwood Visitors

Mr. and Mrs. Lee Powell and baby daughter, Crystal of Ravenwood were in Maryville today on business. They were accompanied by Mr. Powell's mother and sister, Mrs. J. W. Powell and Edith Powell.

## IGOE CHOSEN TO HEAD COMMITTEE

Continued from page 1

er declared the Democrats were turned out two years ago as a result of "the whispering campaign of the profiteer and the special privilege seekers."

**Mrs. W. W. Ewing Heads Women**

Members of the Democratic women's "state committee" late yesterday elected these officers:

Mrs. W. W. Ewing of Odessa, chairman; Mrs. Emily Harshe of Columbia, vice-chairman; Mrs. Kate Morrow, Jefferson City, secretary; Mrs. J. J. Flanders, Excelsior Springs, treasurer.

**Reed Speaks.**

Senator James A. Reed spoke to the convention at the night session last night. Senator Reed was warmly cheered. He said that in the campaign this fall he was going to campaign not for himself, but for the entire Democratic ticket. He spoke of the failures of the national and state administrations. He discussed the proposed tariff bill for some little time and exhibited articles with their cost price and the proposed duty on them. He also referred to the Senator Newberry scandal.

Another speaker was Mrs. St. Clair Moss, Democratic congressional candidate from the eighth district.

The platform of the Democrats was to be adopted at their session today. William E. Spratt, Democratic candidate for congress, is a member of the platform committee from the Fourth district.

Judge Charles H. Mayer of St. Joseph, Ben Neale, former state chairman, and Frank H. Farris were the leaders of anti-Reed forces in the state committee. The first ballot taken at the night meeting of the committee was still tied, sixteen to sixteen. On the second ballot taken, John C. Dawson, Jr., of Grant City, a member, changed from Painter to Igoe. The other third district committeeman also changed on this ballot.

There were a number of Democrats from all over the state in attendance at the convention. They all spoke of Democratic success this fall.

## REVIVAL AT SKIDMORE IS PROGRESSING NICELY

**Workers are Out Today Advertising It —Attendance Cut Down Last Week by Rain.**

The revival at Skidmore is progressing nicely this week under the direction of the Rev. R. E. Snodgrass and Price Doyle of Maryville. The delay of the tent and the rain hindered greatly last week but the meeting is having a good start this week.

Workers are out today making a canvass of the township, advertising the meeting and making a census. This is one of the plans of preparation used by Mr. Snodgrass in all of his meetings. It is expected that by Sunday night the tent will be packed and several will be added to the church.

The Burlington Junction church is to furnish a large delegation at the meeting tomorrow night. Maryville people have been attending some and a large delegation will go from here some night soon. The men's chorus and quartette of the Maryville church will assist in the music of the meeting several nights.

## LARGEST DELEGATION HERE FRIDAY GETS A BANN R

**Mrs. E. E. Elliott of Kansas City to Speak at Christian Church Convention.**

It has been decided to award a beautiful banner to the church of the county furnishing the largest delegation to the Convention to be held here Friday. According to the Rev. R. E. Snodgrass, the county president, this convention promises to be the best held here for years. The missionary address will be given by Mrs. E. E. Elliott of Kansas City, president of the general council of that city. She will present the council work here and the women of the Nodaway County Christian churches will consider organizing some such council here. The Rev. E. P. Taggart of the Burlington Junction church will present some plans for the men of the county, looking toward a county organization of the men.

The young people's session at night promises to be well attended and the county board is anxious that the young people of all the Christian churches of the county attend the night session. Miss Imo Evans of Lathrop will be the speaker.

The program will begin at 11 o'clock and the forenoon address will be given by Dr. I. O. Foss of Camden Point, on "Christian Education."

**Poindexter Renominated.**

Washington, Sept. 13.—Senator Poindexter, Republican, Washington, was renominated by more than twenty thousand yesterday in the primaries he wired his colleagues today.

## REASSEMBLING DAY AT BELL RESIDENCE

Continued from page 1

in relation to the law. Mrs. Winter, president of the G. F. W. C., who gave an address on "The Arms Conference and Afterward," Will Hays who discussed "Upbuilding of the Nations Life Through Moving Pictures," Mrs. Schoonmaker of New York, recently returned from Europe, having been sent there by the League of Women Voters and G. F. W. C. as a messenger of friendship to the women of Europe, and who brought back an inspiring message from them, Mrs. Pennybacker of Texas, especially noted for her eloquence, who spoke on womens duty as citizens, Mr. McArthur of Glendale, N. J., mayor of Junior City, who spoke on "Our Junior Citizen," and many others of like standing in our nation.

A new department of the Federation was established to be called "Department of Peace through International Relations," the chairman to be Mrs. D. B. Tower, a very brilliant woman well versed in national affairs, also an honorary chairman was appointed, Mrs. Charles Evans Hughes.

A whole session was given to the discussion of pending legislation in Congress. A pamphlet discussing this legislation has been prepared and is available free of charge for study for any club that wishes to apply at the National Headquarters of the G. F. W. C. in Washington. Another session was given over to Ex-service men who asked the aid of the Gen. Federation in carrying on the program laid out by the American Legion and American Red Cross. Mrs. Plummer, chairman of the Ex-service Department of G. F. W. C. has done a wonderful work for the Ex-soldier. On State-President's night 45 out of 50 state presidents produced a pageant in which each gave three-minute speeches on the things her own state had accomplished. On International Day women from 11 nations spoke on international relations.

Mrs. Winter, president of the G. F. W. C., the past two years was re-elected without opposition. Her term of office is marked by remarkable success, 1000 new clubs being added to the federation, new headquarters purchased in Washington, D. C. and work begun on peace through international relations. The council of the G. F. W. C. will meet at Atlanta, Ga., 1923 and the next Biennial at Los Angeles, Cal., 1924.

Among the things most strongly recommended at the Biennial that should be worked out in Nodaway county and Maryville are, the abolishing of the county jail recently condemned as being unfit and the placing prisoners under state control, the appointment of a committee in each county to bring together the women of the city and the country to co-operate in club work to try to advance community interests, and the establishment of more kindergartens, a thing now very much needed in Maryville. Hundreds of kindergartens have been established through the efforts of the Gen. Federation in the last few years. If the Women's Clubs of Maryville would each appoint a kindergarten committee and get busy we could soon have a kindergarten in Maryville. No convention is of any value unless some difinite work inspired by it is accomplished. As a result of the ten days of speech making and discussion, 23 resolutions covering important questions facing the nation today were drawn up and sent to President Harding, Congress and State Legislatures and spread broad cast throughout the land. The gist of these resolutions follow:

**Resolutions.**

There was a resolution approving the policy of the War Department's Bureau of Women Relations, which had to do with international relationships. Of special importance, because of the creation of a department of International Relationship, were two resolutions affecting this phase of life, and which were sponsored by the president, Mrs. Thomas G. Winter. One of these decried war as "the supreme folly of the earth," and pledged the General Federation to use its energies to educate Americans to an efficient leadership of the world movement for the settlement of international difficulties "by law, by reason, and by mutual understanding," and the other demanded that constructive measures dealing with the problem of immigration be enacted, and that "the whole question be lifted out of politics and placed in the hands of a national commission on immigration, to be appointed by the president of the United States, such commission to be subject only to reasonably safeguard by congress, and to be composed of not less than five nor more than seven native born citizens of this country."

A resolution was adopted urging relief for Christian girls and women now held in bondage under Turkish rule and another was passed urging uniform marriage and divorce laws in the several states. Other resolutions urged prison reform, a square deal for the American Indian, state bills providing establishment of kindergartens, the teaching of citizenship in all schools, the solution of the problem of flood control in the Mississippi Valley, the development of Muscle Shoals, friendly co-operation with ex-service men and women, the general observance of July Fourth as national citizenship day, individual protest against ill-placed bill boards unworthy of the name of commercial art," the teaching of art in modern life, and laws to bring about "truth in fabric" in labeling and advertising.

$105,510 was subscribed on the floor for the purchase of national headquarters at Washington, Missouri pledged $3,000. "America the Beautiful" by Katherine Lee Bates, has been adopted as the official song of the General Federation of Women's Clubs. The song is of dignity, and beauty, easily sung and reflecting the true spirit of America and the ideals of the Federation. In all, over all, through all was music.—American music. For the first time during their thirty-two years of history, the club women of America had it impressed upon them that there is a national music in America, that American composers have composed things worth while. From this idea it is planned to start a national campaign for American opera.

The report was greatly appreciated and gave the members many thoughts of club work for the coming year.

**PLOT TO OVERTHROW MOSCOW SOVIET GOVERNMENT.**

London, Sept. 13.—A plot to overthrow the Moscow Soviet government has been discovered and many prominent Russians arrested, according to a Helsingfors dispatch. Today's disorders have broken but the details of the conspiracy were not given.

## COLLEGE RAZZERS TO BE ACTIVE AGAIN THIS YEAR

**Is for Those Who Have an Overabundance of Enthusiasm—Support the Bearcats**

The College "Razzers" will be organized again this year at the State Teachers College. Last year this organization was started at the latter part of the basketball season and it was the most successful means of arousing pep at games that has been introduced at the College.

The "Razzers" is an organization composed of any number of young men at the College who are out to support the different teams. At the first appearance of this organization last year twenty members appeared on the floor of the high school gymnasium when the girls team at the College played it's final game and they literally raised the roof.

This year it is planned to make the organization better and larger than before and the number will not be limited. To be a member a boy or man must have an overabundance of enthusiasm and must be willing to yell and do anything else to "whoop up the pep."

The "Razzers" will make their first appearance this year at the first home game that the College Bearcats play. They plan to be very much in evidence and the football fans of Maryville can expect something novel and different. No telling what but there will be something doing.

**Lodge Renominated.**

Boston, Sept. 13.—Senator Lodge was renominated for the sixth time in the Republican primary yesterday. He scored a victory of nearly a hundred and twenty thousand.

**"I knew him when he was a boy"**

*What one is there of us that has not felt the glow of satisfaction over the outstanding success of a life-long friend! Often a surprise—seemingly "all of a sudden." Yet neither surprising nor sudden, when you stop to think back over each step of his progress.*

THE United States Rubber Company—makers of U. S. Royal Cords—were first to conceive, make and announce the *balanced tire*. A tire in which there is such complete *unity* of action in tread and carcass that neither will give way before the other.

First to conceive, make and announce a *complete line* of tires—a tire for every need of price and use under *one standard of quality*.

First to tell the public about the good and bad in tire-retailing. (You remember the phrase "Go to a legitimate dealer and get a legitimate tire.")

First also to arouse industrial and trade minds to the need of a *new kind* of tire competition. (Competition for better and better *values*. Greater and greater public confidence.)

* * *

THESE high spots along the U. S. road to leadership indicate the *intent*—the will to win by the *quality route* in a price market.

Now that so many car-owners have given their verdict for quality tires in general, and U. S. Tires in particular—a number of dealers and car-owners whose vision has been clouded by "discounts," "sales" and what not, are beginning to remember that they "knew him when he was a boy."

F. T. LOCH'S GARAGE, RAVENWOOD, MO.

**Announcement**

I have recently returned from Texas, where in company with J. B. Nunnelley, Dr. J. L. Felix and Joe Fogan, we purchased on the range

FIVE HUNDRED HEAD OF STOCK CATTLE,

the greater number of which are spring calves. These cattle are Herefords and Angus and are a selection from the best stock to be found. They are of excellent breeding and quality. We believe that crop conditions in Nodaway County are such that this is an opportune time for the feeding of cattle, and we will, therefore, offer for sale at public auction at the Burlington Stock Yards in Maryville, the above cattle, the exact date to be made known later. This will undoubtedly prove to be a rare opportunity to buy high class cattle and would advise those interested to watch for later advertisement.

A telegram from Mr. Nunnelley advises that twelve cars of these cattle were loaded yesterday, September 12.

Joseph Jackson
